Why a Legislative Forum?

CNYSBA listened to your desire to again convene a program where school board members and superintendents could have personal interaction with their state legislators during the NYS Budget process.

Who should attend?

This small group setting is especially designed for school board members, superintendents and selected district leadership team members.

What is the forum format?

Welcome remarks by the district superintendent, a brief overview of the budget proposal, ample time for a facilitated discussion between you and your state legislators.

How should you prepare?

Prepare questions, statements, materials that would educate legislators on the specific needs and key issues in your district.
